PRODUCT INFORMATION

Application

Refer to the applicable Siplast Technical Guide for detailed application information.

Storage and Handling

All Siplast roofing products should be stored upright on a clean, flat surface. All cartons should be stored in a dry place, out of direct exposure to the elements, and should be kept away from excessive heat, fire or open flames. All materials should be handled in such a manner as to ensure that they remain dry prior to and during installation.

See product packaging and the Safety Data Sheet for specific information on the safe handling of this product.
