

PARAFAST® EHD #15 DP FASTENER

Commercial Product Data Sheet

Parafast® EHD #15 DP Fasteners are special purpose screws coated with Tru-Kote™ Epoxy E-Coat. The Parafast EHD #15 DP Fastener, in conjunction with appropriate metal plates, are designed to secure roof insulation or substrate panels, base sheets and Parasolo Membranes in approved assemblies to steel roof decks and other substrates that are approved in advance by Siplast.

Contact Siplast for information on approved product uses.
