PRODUCT INFORMATION

Application

Refer to the applicable Siplast Technical Guide and Siplast PVC Detail Manual for detailed information on application of Parasolo PVC KEE Corner Curb Wraps. Parasolo PVC KEE Corner Curb Wraps can be used in conjunction with both Parasolo PVC and PVC KEE membrane systems.

Storage and Handling

All Siplast roofing products should be stored on a clean, flat surface. All roofing products should be stored in a dry place out of direct exposure to the elements. Material should be handled so that it remains dry prior to and during installation.

See product packaging and the Safety Data Sheet for specific information on the safe handling of this product.
