

PRO FABRIC AND PRO FABRIC FASTENER CAPS

Commercial Product Data Sheet

Product Description

Pro Fabric and Pro Fabric Fastener Caps are a stitch-bonded polyester fabric reinforcement specially designed for use in conjunction Paraflex Metal Roof Coating Systems.

Product Uses

Pro Fabric is used as a fabric reinforcement for treating metal roof panel seams/joints and flashings in Paraflex Metal Roof Coating Systems. Contact Siplast for specific information on substrate qualification/preparation as well as product uses and application.

Pro Fabric Fastener Caps are used to reinforce the area around screws.
