

## WALLcontrol Stainless Steel Butyl Adhered Flashing Safety Data Sheet

### Section 1 - Product and Company Identification

**Manufacturer:**

Siplast, Inc.  
14911 Quorum Dr. Suite 600  
Dallas, Texas 75254

Telephone: 800-922-8800

CHEMTREC: 800-424-9300

**Use:** This product is for use in in roof-to-wall transitions, air and water barrier terminations, window and door rough openings, and through wall flashings.

### Section 2 - Hazards Identification

As defined in the OSHA Hazard Communication Standard, 29 CFR 1910.1200, the products listed below are considered articles and do not require an SDS. In addition, articles are not included in the scope of the Globally Harmonization System (GHS). As such, the GHS labeling elements are not included on this SDS. All components listed for this product are bound within the product.

When handled as intended and under normal conditions of use, there is no evidence that any of the ingredients are released in amounts that pose a significant health risk. Although these products are not subject to the OSHA Standard or GHS labeling elements, Siplast would like to disclose as much health and safety information as possible to ensure that this product is handled and used properly. This SDS contains valuable information critical to the safe handling and proper use of the product.

This SDS should be retained and be made available for employees and other users of this product. In addition, the recommendations for handling and use of these products should be included in worker training programs.

**ADDITIONAL HAZARD IDENTIFICATION INFORMATION:**

**PRIMARY ROUTE OF EXPOSURE:** n/a  
**SIGNS & SYMPTOMS OF EXPOSURE**

**INGESTION:** This product is not intended to be ingested. If ingested, it may cause temporary irritation to the gastrointestinal (digestive) tract.

### Section 3 - Composition/Information on Ingredients

**General Product Description**

This product is a multipurpose self-adhering flashing with a high temperature butyl adhesive with a siliconized release liner. It has a durable 304 stainless steel facer that is flexible, hand formable, and trimmable with standard tools while providing robust puncture, tear, and UV resistance. Product contains butyl adhesive.

### Section 4 - First Aid Measures

**First Aid: General Advice**

If symptoms persist, Do not get in eyes, or ingest.

### Section 5 - Fire Fighting Measures

**Flash Point:** Not determined  
**Upper Flammable Limit (UFL):** Not determined  
**Auto Ignition:** Not determined

**Method Used:** Not determined  
**Lower Flammable Limit (LFL):** Not determined  
**Flammability Classification:** Not determined

**Rate of Burning:** Not determined

**General Fire Hazards**

There is no potential for spontaneous fire or explosion.

**Extinguishing Media**

Use. Dry chemical. Carbon dioxide (CO2). Water spray (fog). Sand. Alcohol resistant foam.

**Fire Fighting Equipment/Instructions**

No special procedures are expected to be necessary for this product. Normal firefighting procedures should be followed to avoid inhalation of smoke and gases. As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

**Section 6 - Accidental Release Measures**

**Personal Precautions**

Use personal protective equipment as required. Gloves are recommended due to sharp edges.

**Environmental Precautions**

Not applicable.

**Methods and Materials for Containment and Cleanup**

Not applicable.

**Section 7 - Handling and Storage**

**Handling Procedures**

Use personal protective equipment and follow normal jobsite precautions. Handle in accordance with good industrial hygiene and safety practices.

**Storage Procedures**

Warehouse storage should be in accordance with package directions, if any. Material should be kept clean, dry, and in original packaging. Keep properly labeled in original packaging and store in cool dry area.

**Incompatibilities**

Hydrogen Peroxide, Acetylene, Chlorine, Halogenates of Barium, Calcium, Magnesium, Potassium, Sodium , and Zinc.

**Section 8 - Exposure Controls / Personal Protection**

**Exposure Guidelines**

**A: General Product Information**

The Occupational Safety and Health Administration (OSHA) has not adopted specific occupational exposure standards for components present in this product.

**PERSONAL PROTECTIVE EQUIPMENT**

**Personal Protective Equipment: Eyes/Face**

Safety glasses with side shields or chemical goggles are recommended.

**Personal Protective Equipment: Skin**

Gloves should be worn to protect against mechanical abrasion.

**Personal Protective Equipment: Respiratory**

None required.

## Section 9 - Physical & Chemical Properties

<b>Appearance:</b>	Silver stainless steel sheeting with white backing	<b>Odor:</b>	None
<b>Physical State:</b>	Solid	<b>pH:</b>	Not applicable
<b>Vapor Pressure:</b>	Not applicable	<b>Vapor Density:</b>	Not applicable
<b>Boiling Point:</b>	Not applicable	<b>Melting Point:</b>	Not applicable
<b>Solubility (H<sub>2</sub>O):</b>	Insoluble	<b>Specific Gravity:</b>	8.8 – 9.9
<b>Freezing Point:</b>	Not determined	<b>Evaporation Rate:</b>	Not applicable
<b>Viscosity:</b>	Not applicable	<b>Percent Volatile:</b>	0
<b>VOC:</b>	Not determined		

## Section 10 - Stability & Reactivity Information

### Stability

These products are not reactive.

### Chemical Stability

These products are not reactive.

### Hazardous Decomposition

May form carbon dioxide and carbon monoxide, unknown hydrocarbons, and possibly metallic fumes when heated over 2,550°F.

### Hazardous Polymerization

Will not occur.

## Section 11 - Toxicological Information

### Acute Toxicity

#### A: General Product Information

This product should not be ingested. The Occupational Safety and Health Administration (OSHA) has not adopted specific occupational exposure standards for components present in this product.

#### B. Component Carcinogenicity

This product does not contain any carcinogens or potential carcinogens as listed by OSHA.

## Section 12 - Ecological Information

### Eco toxicity

#### General Product Information

No data available for this product.

#### Persistence and Degradability

No data available for this product.

#### Bioaccumulation

No data available for this product.

#### Disposal Method

Recycle this material.

## Section 13 - Disposal Considerations

### A: General Product Information

This product is not expected to be a hazardous waste when it is disposed of according to the U.S. Environmental Protection Agency (EPA) under Resource Conservation and Recovery Act (RCRA) regulations. Product characterization after use is recommended to ensure proper disposal under federal and/or state requirements.

### B: Component Waste Numbers

No EPA Waste Numbers are applicable for this product's components.

### C. Disposal Instructions

Dispose of waste material according to Local, State, Federal, and Provincial Environmental Regulations.

## Section 14 - Transport Information

### International Transport Regulations

These products are not classified as dangerous goods according to international transport regulations.

## Section 15 - Regulatory Information

### US Federal Regulations

No regulatory information.

### State Regulations

No regulatory information.

### International Regulations

No regulatory information.

## Section 16 - Other Information

### Other Information

The information herein is presented in good faith and believed to be accurate as of the effective date given. However, no warranty, expressed or implied, is given. It is the buyer's responsibility to ensure that its activities comply with Federal, State or provincial, and local laws.
